How to Read a Parking Lot Sign

At the entrance of each parking area, there is a parking lot restriction sign. Understanding the restrictions specified by each sign is an important factor in having a pleasant parking experience at the University of Maryland.

BLACK vs. RED

Lot signs are color-coded to easily distinguish parking restrictions. Signs with BLACK text welcome parking after 4 pm. without a permit or CLPR, whereas lot signs with RED text are used to bring awareness to various parking restrictions.

LETTER or NUMBER

Signs that begin with a LETTER are considered faculty/staff lots, regardless of any sub-number that follows it. Signs that begin with a NUMBER are considered student lots.
